# ANNOUNCEMENT

We extend a cordial invitation to all lovers of good Shorthorn cattle to attend our second production sale on Saturday, Oct. 2, 1948. It is with a great deal of pleasure and satisfaction that we offer to you this draft of well-bred cattle. We are pleased to have our good friend, Gilbert Piffer, join with us in making this offering. He is using bulls bred by us and all of his cattle are of similar type and breeding as ours.

We began in the Shorthorn business back in 1929 with the purchase of a heifer for our 4-H project. From that conservative start we gradually expanded our herd and grew in knowledge through our experiences of breeding and selection. When we first saw Supreme Goldfinder at the International (1939) we were greatly impressed. Never before had we seen such a combination of scale, masculinity, width, depth, and compactness, and yet thick fleshing with an abundance of quality. We were fortunate to secure one of his first sons, Gold Nugget, to use in our herd and followed with another son, Supreme Rival. In 1944 we purchased the entire Husted Brothers herd, which included Gold Accent and Double Goldfinder, all of the daughters of Supreme Goldfinder and the dams of their International Champions. Through the use of these sons of Supreme Goldfinder and with rigid culling and careful selection we have established these superior qualities of the Goldfinders in our cattle.

At the Asa Sherritt Dispersion sale we purchased Killearn Monarch 29th to use on our line-bred Goldfinder females because he was an attractively bred out-cross but still closely resembled the Goldfinders in type and thickness. His first crop of calves are now proof that this is a great cross. Through his greatly extended use in our herd we are now able to offer all of his first daughters, and as we feel that he is the kind of bull worthy of being bred to only the best, we have dug deeply into our breeding herd. All of these cows we have been proud to own and know that they will raise a good calf. A number of the heifers are out of our show herd and all of them are worthy of making replacements in any herd or are the kind to build new herds. Our offering of bulls will please the rancher as well as the breeder. It includes the first sons of Killearn Monarch 29th, except a few that were sold as calves, along with four promising sons and a grand-son of Gold Accent, and a grand-son of the Perth reserve champ., Norseman.

Your herd can be strengthened by a purchase in this sale.

Holz Brothers.

# SALE INFORMATION

Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but all cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

**LIABILITY:** The above terms and guarantee constitute a contract between the seller and the buyer of each lot. Although every precaution will be exercised to provide for the comfort and safety of our guests, we will not be responsible for accidents that may occur.

**SALE CIRCUIT:** Sept. 27—Marshall Co. Shorthorn Breeders, Marshalltown, Iowa. Sept. 28 Missouri State Sale, Chillicothe, Mo. Oct. 4, Northwest Missouri Breeders, Maryville, Mo.

## Shorthorns You'll Want To Own

Stemming from the mighty Goldfinder Diamond, the "Goldfinders" have niched deep into the Shorthorn Hall of Fame during the last decade. Through his greatest son, Supreme Goldfinder, has come the best of them and since 1941 at the Great Chicago International Livestock Show and other shows of major importance, they have had to be reckoned with in top winning brackets.

Holz Bros., Rippey, Iowa have a stronger concentration of "Goldfinder Blood" than any other herd in America today. Line-breeding, now well into the 5th generation, is being carried on to further instill those highly desirable characteristics in the Holz-bred Shorthorns.

The pictures and the pedigrees of this offering that appear in this catalog tell you and show you of the quality being offered you on October 2nd.

The out-cross mating through Killearn Monarch 29th will please you when you see his sons and daughters out of their intensely Goldfinder-bred dams.

The past week at the Missouri State Fair, three of the six first prize winning females that were led out for the Championship were from the Holz herd.

In 1947 the heaviest winning individual female on the American continent was a Goldfinder. This year's undefeated female to date is a Goldfinder.

A real opportunity to share in some of this proven breeding is being offered you at Rippey, Iowa on October 2nd when Holz Bros., along with Gilbert Piffer, present their best productions.

Mervin F. Aegerter.

GOLDEN RULE MONARCH 2nd is the oldest son of Killearn Monarch that we have to offer. He is out of the same dam as the Jr. yearling heifer that placed 2nd at the 1946 International in the same class as the Grand Champion. His grand-dam sells as lot 11 in the sale. With such ancestry he can't help but breed the lowset, thick kind.

VIOLA SOUVENIR is truly a special attraction. She is a half sister to Supreme Goldfinder and I believe the best female Goldfinder Diamond ever sired. She was the champion female at the Omaha show and sale. She has been a consistent producer for us. Very few females have as much depth of body, as short coupled and short leaved. Her solid red heifer calf by Killearn Monarch got over heated and died this summer. Rebred to Monarch.

		{ Dainty Maid 9th 1011616 Red, Phillip Funke

ACANTHUS 88th—is a richly bred heifer of good type and with lots of breed character. She combines the blood of Supreme Goldfinder, Collynie Royal Barrage and Browndale Goldspur, the International Grand Champion. She is closely related to the outstanding Acanthus heifer we sold Wertz Brothers of Bancroft, South Dakota for \$1600.00 in 1944. Her calf by Double Goldfinder should be outstanding.

GOLDEN RULE PRINCESS is truly a grand heifer. She has all that could be desired in a beef animal. She has a grand head set on a short neck that blends well into her body that is wide and deep from end to end and she is covered with thick smooth flesh. This is the kind to start with, the kind that will put you on top and bred to good bulls will keep you there. She has the greatest proven bulls of the breed on top of her pedigree and the individuality to insure her producing ability. She is a little young this year as a Jr. yearling to show to the best advantage. But she stood 2d in class to the Grand Champion at Des Moines and Sedalia. This heifer will be a hard 2-year-old to beat next year. We would like to reserve the right to show her this fall and winter.

GOLDEN RULE GOLDEN CHAIN was the 2nd prize Jr. heifer calf at the Iowa State Fair and well up in her class at the International. She is one of the few daughters of Double Goldfinder that will be offered for sale. She will make the kind of cow that will look good in any pasture and her sweet, feminine head indicates that she will be a breeding cow. Those Double heifers get thicker and better as they mature. Bred to Monarch.

# SHORTHORN INTERNATIONAL

## The Swing is to SHORTHORNS

**Not ONE — but THREE Consecutive International Grand Champion Steers Over All Breeds Under Three Different Judges!**

1. Shorthorns this year enjoyed their greatest year in steer triumphs in interbreed competition throughout the nation.

2. Demand for Shorthorn bulls for cross-breeding has been the greatest in modern history topped off by the highest record in bull sale averages in 30 years at the International Shorthorn Congress sale.

3. The average price for Shorthorns at auction in 1947 went up 24 percent.

4. New members in the American Shorthorn Breeders' Association hit a new all-time high of 2,333 in 1947. In six years Association membership has doubled over the entire number for all previous time up to that date.
